Kids & Teens Group Lessons: Ages 1st Grade–15yrs, Beginner – Advanced

When they talk about their childhood, what will they remember?

Steamboat knows kids and teens which explains why so many of our own learn to ski as soon as they can walk. It started in the early 1900’s with a school curriculum that included skiing. Seventy-nine Steamboat Olympians later, it’s still that way. In Ski Town, U.S.A.®, kids are the center of attention and it’s no different at the Ski & Snowboard School, where we treat your kids like our own.

- All kids programs include lunch.
- All kids programs require an all mountain lift ticket. Add on ticket available.
- Kids first grade and older may ride a chairlift unaccompanied. If you are uncomfortable with this, a one-on-one private lesson is recommended.
- Published start times are lesson meeting times. Allow 15 minutes for group organization.
- Helmets are required for kids in these programs
- Space is limited. Book at least 7 days in advance and save 10%!
