WHO ATTENDS?
The participants are a diverse group of engineers from local, state, and federal agencies; consulting and contracting firms; and universities. The conference is designed for professionals in structural engineering to discuss exciting new developments in the field, gain timely job-related information, network with colleagues, and renew their sense of professional purpose.

CONFERENCE PLANNING COMMITTEE
The Conference program was developed by a distinguished group of practicing structural engineers from the Chicago, central Illinois, and St. Louis regions, in cooperation with the structural engineering faculty of the University of Illinois at Urbana-Champaign.

CONTINUING EDUCATION CREDITS
The conference will provide 5.5 hours of credit towards the State of Illinois structural engineering license continuing education requirements. It will provide 6 PDHs for professional engineers.

REGISTRATION
Blocks of rooms have been held at these hotels for the nights of April 16 & 17, 2014. All hotels offer complimentary parking. After the rooms are released, any remaining will be offered on a space-available basis.
